

Archery Classes

KFAP Archery, 11 Phelps Way, Willington, CT

Our programs are open to students of all experience levels, from beginners to seasoned tournament archers. Equipment is provided, or bring your own. The instructor, William Hall, is a former National Champion, with over 20 years of coaching experience.

Beginner Program- (60 min per class) For all first-time KFAP students, this program is designed for those with little to no formal archery training. This program is a structured walk through all of the essential basics of the sport, including, but not limited to; Range Safety, Proper Shooting Form, How the Bow Works, Grouping and Sight Adjustment and Scoring.

Advanced Program- (60 min per class) For those students who have completed the KFAP beginner program, the Advanced Program focuses more on individual coaching, goal setting, mental training, and continued advancement through the KFAP Ranking and Award System.

Outdoor Program- (90 min per class) In this special program, we will bring our bows outside and shoot at longer distances, and learn the essential skills of outdoor shooting. Archers must be returning KFAP students and have their own equipment.

Advanced Outdoor Program – For those who have taken Outdoor classes in the past, this program will take us out onto the field archery and 3-D courses to really put your outdoor shooting skills to the test.
